Is the proposed operation or use

- ☒ Permanent  
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Stationing of a mobile home within the residential curtilage of a dwellinghouse, for purposes ancillary to the main use of the host dwellinghouse, does not constitute development nor result in a material change of use within the meaning of Section 55 of the Town and Country Planning Act 1990 (as amended) and therefore does not require planning permission. Please see planning statement for more details.

## Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☒ No

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
