Comments: There are already too many people living in thakeham, there is no infrastructure to support us, let alone hundreds more. There is no public transport so everyone needs to drive, and there's limited parking as it is. The roads are busy and in poor state, particularly high bar lane! Is that ever going to be resurfaced?
I work from home due to my health and do not want to hear building works for the next goodness knows how long.

Kind regards
