Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Loss of General Amenity- Trees and Landscaping
Comments:	I object to this planning. This area is a natural wild life haven for lots of species which I have had the pleasure of sharing [REDACTED]. Also I am extremely worried about the extra traffic this development would cause and the dangers it could pose for the general public, I regularly walk up that way [REDACTED] to get to the river and having the extra traffic would be very worrying indeed. I am therefore asking that this development is not allowed to go ahead

Kind regards
