Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Design
- Trees and Landscaping

Comments: I recently drove past Rose Cottage and thought the new Shepherd's Huts looked so beautiful and in keeping with the landscape. They have been thoughtfully planned and the colours (green and terracotta) look so lovely against the trees and brick house. If only everyone could be this thoughtful about our landscape. Unlike the new buildings going up throughout Shipley/Horsham that don't consider the beautiful landscapes they

are in! We need more of these natural colours and Shepherd's Huts are perfect for this area.

Kind regards
