Dear Sirs,

I write in connection with the planning application to build a property on Amberley playing field in Roffey, Horsham.

I strongly object to any building on this valuable public green space. North Horsham is a densely populated area with few unspoilt outdoor spaces for families to enjoy.

I am also concerned that if one building application is approved, this will set a precedent for others to follow. This will mean that in no time at all, this green space will have been spoilt for the majority of families who rely on, use and enjoy the space, not to mention the impact on wildlife.

Yours faithfully,
