Comments Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment: - Design
- Highway Access and Parking

Comments: According to the Horsham District Planning Framework Document Policy 23 (a)(b) and (c) this application appears to instantly be in contradiction to the policies.
This portion of road is a fast flowing 'A' road without pedestrian access.
There appears to already be dumping of waste on this ground which there is already an enforcement notice issued.
I believe this land to be an unallocated rural field

I object to this planning application as it contravenes Horshams own policies

Kind regards
