Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	<p>I strongly object to the latest plan for 3,000 homes to be built. The hospitals/doctors/dentists cannot cope with the additional demand. We do not have what I deem to be a local A&amp;E however the nearest one is often at breaking point with people being advised to seek alternative help.</p> <p>If additional infrastructure was built first, I would be open to the idea of this, however as with most developments in the local area, these aren't followed through and the local residents suffer the consequences.</p>

Kind regards
