Stance: Customer objects to the Planning Application

Reasons for comment:

- Highway Access and Parking
- Overdevelopment
- Privacy Light and Noise
- Trees and Landscaping

Comments: I object this application. The building of 3,000 new houses is not suitable for the area due to overcrowding. I field station will not support commuters and the roads will be too busy. The green spaces, fields and trees support many types of wildlife, which would be devastating to lose. I regularly see [REDACTED], deer, owls, foxes, hedgehogs on my road and the golf course.

Kind regards
