OBJECTION TO THE WEST OF IFIELD
DC/25/1312

I live in the area adjoining Langley Drive / Ifield Station .

The area consists of a 4 school campus ,Ifield railway station, a petrol station and Ifield shopping parade .

All these places are on Ifield Drive .(Access to ifield community college via footpath)

The impact of 3,000 houses on an already highly congested area would be highly detrimental to the health and wellbeing of the residents that live here and in the surrounding area.
