Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	As we have said previously, whilst we have no objection to the construction of 1 or 2 dwellings on this land it is the scale of this development which is very concerning. The number of dwellings proposed is ambitious considering the

size of land these are going to occupy.
Small Dole is a rural location and the amenities are just not here to support the density of dwellings proposed. Also, the access to the main road and parking could potentially pose an issue for such a large development.

Kind regards
