Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	<p>The Wickhurst Green estate is over built as it is. The roads are too narrow, continual traffic. The increase in housing will make things much worse. I have also heard that Carter Drive may also be made a through road. I live in the area as it is quiet and [REDACTED] feel safe. The added traffic would create more traffic and noise levels would increase. Building further houses is crazy, as it is an over built area as it is!</p> <p>I hope all the points would be considered. I have noticed a huge increase in the number of houses up for sale and I have no doubt it is due to the proposed plans which I hope will not go a head.</p>

Kind regards
