Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Highway Access and Parking</li><li>- Other</li></ul>
Comments:	Making this a through road will not be safe for residents and drivers. The road is already too narrow to fit two cars along let alone a through road creating more traffic along here. This in my opinion is a massive safety risk and would be an increase in accidents.

Parking will also become even more difficult than it is and the amount of traffic it would create is not safe
