Comments:	West end lane used to be an idyllic country lane before Bishops Park was built, now we have over 300 cars moving up and down at rush hour, its chaos and no traffic calming or speed enforcement in place. Open fields are essential for the local Deer population as

navigation corridors. The Slips is also a great place to spot woodpeckers and tawny owls. Henfield has absorbed more than its fair share of travellers sites to aid Horsham District Councils target (including Stonepit Lane), its time to draw the line and say no. Horsham Council also needs to be aware that this development is failing to adhere to these following framework policies  
Policy 33, 33.2, 33.4, 34: Loss of amenity, poor integration with surroundings, and unsympathetic design  
Policy 40: No sustainable transport options; promotes car dependency
