### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	The proposed access to the site is on a dangerous bend on an A road with a 60mph speed limit. Every year there are accidents within 100m of this proposed access. It is ridiculous to consider adding additional traffic trying to join a road on a blind corner where traffic could be moving at 60mph

Kind regards
