### Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none"><li>- Design</li><li>- Highway Access and Parking</li><li>- Loss of General Amenity</li><li>- Overdevelopment</li><li>- Privacy Light and Noise</li><li>- Trees and Landscaping</li></ul>
Comments:	I object to this application for the following reasons ... Henfield already has its fair share of traveller sites - In fact a disproportionate amount compared with other areas of the Horsham District.

The site/application was not included in the Henfield Neighbourhood plan and therefore should be excluded. The access is poor and the increased traffic will be dangerous to local road users. West End Lane is a narrow road regularly used by walkers, cyclists, dog walkers and horse riders. There is no mains drainage in the lane. Please reject this application.
