Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Design- Highway Access and Parking- Loss of General Amenity- Other- Overdevelopment- Privacy Light and Noise
Comments:	Members have concerns of overdevelopment, with the build not being appropriate for this location and seeming too large for the plot of land, concerns of privacy and outlook from existing properties, loss of area of open land, road access and the

problematic parking that appears to exist in this location could be exacerbated by a build with no ability to have parking on the land, the effect on the street scene, and concerns about the issues raised by Southern Water. Members also AGREED that they would like this application to go to the Committee due to the number of concerns about it and the number of objection letters on the portal.

Kind regards
