Customer Details

Address: 2 Tollgate Cottages Lower Beeding

Comments Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Reasons for comment: - Highway Access and Parking

Comments: I strongly object to this planning application. The entrance to access this site and exit the site are on blind bend and presents a very high risk of road traffic accidents to users of the site and those users of the A281 (Brighton Road). The access point is totally unsuitable given how busy this road is and the volume of traffic that would be using this site. Having lived on this road for a number of years I have the first hand experience of trying to access and exit this road to my property which is not on blind bend and the dangers that this presents unlike the proposed new

access to the site and which could result in serious accidents and even fatalities.

Kind regards
