Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Design- Loss of General Amenity- Overdevelopment- Privacy Light and Noise
Comments:	<p>Commercial building has restricted hours, addition of non commercial floor will add to noise, light at night time, reduced privacy.</p> <p>It will take away commercial ground space for any other potential owners.</p> <p>Roof design not in keeping with area and will increase light from sky lights.</p>

Overdeveloping building which is surrounded by private residences.
My garden backs directly onto boundary fence so increased height would not be acceptable.
Before making any decision would recommend someone view site and surrounding properties to see proximity to existing properties and how adding another floor would affect them.

Kind regards
