Comments Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Reasons for comment:
- Loss of General Amenity
- Overdevelopment

Comments: As a resident of Storrington I consider that further development in the small village of Thakeham will impact adversely on the already overstretched infrastructure in Storrington, which is faced with deminishing GP and educational facilities, collapsing roads and excessive traffic, combined with the general reduction in public services.

Kind regards
