Stance: Customer objects to the Planning Application

Reasons for comment:
- Highway Access and Parking
- Overdevelopment

Comments: No more development, we are being overloaded with new developments and absolutely no amenities. Roads are terrible with huge amounts of traffic and pollution. As for affordable housing, affordable for who? Only those with overaverage wages, and not those who are already struggling to survive, so again we get outsiders buying holiday homes and locals are pushed out!

Kind regards
