Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Overdevelopment
Comments:	<p>The highway access to this site is totally inadequate. I know this, having lived in the village for 45 years and being the village Policeman many years ago. The situation has not changed. 74 houses means probably at least 148 cars. The local school is struggling for space. No Doctors Surgery. No proposed infrastructure! Not the best of ideas!</p>

Kind regards
