Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I've occasionally walked along Muttons Lane and the surrounding area and often thought it would be a nice area to relocate to. I support this application to convert this stable to a new home. It's very private, the change would have little affect on anyone else, it would smarten up and add value to the immediate locality.

Kind regards
