Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Other- Overdevelopment- Trees and Landscaping
Comments:	I am predominantly associated with Ashington as my church is Ashington parish. Having walked the area numerous times and understand the village the capacity for more homes in this area will put huge pressures on all facilities such as GPs, dentists, shopping, schools, and other vital facilities when the village is a village and does not have space to become more than what it is. All facilities would be overloaded and cause potential problems to

the existing community there. Not only this but Storrington and Steyning and Washington as there is only one GP to cover all surrounding villages. I see this proposal as harmful for the existing communities.

Kind regards
