Reasons for comment:

Comments:

We have been immediate neighbours to Jackson's Farm and Stonehouse Farm for the last 8 years. During this time we have seen a shambolic approach to maintaining and developing these sites by the previous owner.

The proposals detailed in this application seem logical to us as neighbours, and we see this as an opportunity to benefit from a long term plan for the site as a whole which can only give the immediate neighbours and the local community a greater peace of mind going forward. Due to these reasons we fully support these proposals and the planning application.

Kind regards
