Stance:	Customer objects to the Planning Application
Reasons for comment:	<ul style="list-style-type: none">- Highway Access and Parking- Overdevelopment
Comments:	Local infrastructure is already insufficient, Rectory Lane is not suitable for the significantly increased traffic level which this development would create. Parking in London Road for access to shops/Post Office is already a big problem which this will worsen. Drainage is already a problem in the area so flood risk for existing homes is a major concern.

Kind regards
