Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	There is a huge new development already in Broadbridge Heath and plenty more housing planned for North Horsham. We do not need to add more housing to a small village. Although this development is relatively small it would, as always, invite further development that is not sustainable to such a small village. The roads are not suitable for the increase in traffic. Apart from this it is a greenfield site and should be kept as such.

Kind regards
