| Reasons for comment: | - Other |
| Comments: | Increased traffic for already unsuitable roads. Access due to unsuitable roads. Lack of parking. Disruption of construction. Loss of privacy/greenery Rare wildlife in fields. Damage to the environment When the villagers were consulted this was NOT the preferred option and we were ignored. The person doing this always gets his way because he has money |

and influence.
Noise pollution. It's supposed to be a village. Appearances and
character aren't that of the village.

Kind regards
