Comments summary

Dear Sir/Madam,

Planning Application comments have been made. A summary of the comments is provided below.

Comments were submitted at 14/09/2025 6:25 PM.

Application Summary

Address: Land West of Ifield Charlwood Road Ifield West Sussex

Proposal: Hybrid planning application (part outline and part full planning application) for a phased, mixed use development comprising: A full element covering enabling infrastructure including the Crawley Western Multi-Modal Corridor (Phase 1, including access from Charlwood Road and crossing points) and access infrastructure to enable servicing and delivery of secondary school site and future development, including access to Rusper Road, supported by associated infrastructure, utilities and works, alongside: An outline element (with all matters reserved) including up to 3,000 residential homes (Class C2 and C3), commercial, business and service (Class E), general industrial (Class B2), storage or distribution (Class B8), hotel (Class C1), community and education facilities (Use Classes F1 and F2), gypsy and traveller pitches (sui generis), public open space with sports pitches, recreation, play and ancillary facilities, landscaping, water abstraction boreholes and associated infrastructure, utilities and works, including pedestrian and cycle routes and enabling demolition. This hybrid planning application is for a phased development intended to be capable of coming forward in distinct and separable phases and/or plots in a severable way.[cr]

Case Officer: Jason Hawkes

Address: April Cottage Capel Road Rusper

Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment - Trees and Landscaping
Comments:	As a fairly new resident to the area, I note that Rusper tends to be a 'rat run' for a lot of people and fear that this development will further add towards traffic, and also the deterioration of already worn roads. I am also concerned with the local infrastructure not being able to support this volume of houses, in addition to the loss of wildlife and trees accommodating this development.

Kind regards
