Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	This single application appears unexceptionable even if a 20' container is a bit more of an eyesore. It should be painted a neutral colour, second hand or not. We are grateful to the Council (again) for taking steps to inform locals of proposals. It is a pity, that despite changes at the Parish Council, they do not take steps to consult.

Kind regards
