Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	The Parish Council objects to this application as it feels that the plans submitted in the supporting documents are far too ambiguous on the positioning of the proposed garage within the site to allow council or other those residents neighbouring the site to fully understand the proposal. More detailed plans are needed from the applicant in order that proper consideration can be given to their scheme.

Kind regards
