Dear Sir or Madam,

Our ref: 481245  
Your ref: DC/23/0406

Thank you for your consultation.

Natural England has previously commented on this proposal and made comments to the authority in our response dated 31 May 2023 reference number (434134).

The information we requested is still needed by Natural England to determine the significance of impacts on designated sites. Without this information Natural England may need to object to the proposal.

Please note we are not seeking further information on other aspects of the natural environment, although we may make comments on other issues in our final response.

Please re-consult Natural England once this information has been obtained. On receipt of the information requested, we will aim to provide a full response within 21 days of receipt.

Yours faithfully

James McGiveron

Natural England offers two chargeable services - the Discretionary Advice Service, which provides pre-application and post-consent advice on planning/licensing proposals to developers and consultants, and the Pre-submission Screening Service for European Protected Species mitigation licence applications. These services help applicants take appropriate account of environmental considerations at an early stage of project development, reduce uncertainty, the risk of delay and added cost at a later stage, whilst securing good results for the natural environment.
