Dear Catherine Howe,
With reference to your email dated 24.03.2026
Please find details supplied by our tree surgeon Mr David Sutlieff ,who has been looking after this tree since 2002.

To maintain established management regime.
For the avoidance of doubt.
To maintain shape, and general health of tree.
To help reduce leaves, twigs and bird droppings on garden .

Height 20mtrs now to be brought down to 18mtrs.

Branches	WEST 4.5 down to 4m	OLD CUTS
	NORTH 5.5 down to 4m	"
	SOUTH 5 down to 4m	
	EAST 4.5 down to 4m	

I trust this is now acceptable for our application.

With many thanks,
