Comments Details

Commenter Type: Member of the Public

Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Loss of General Amenity - Other
Comments:	I am writing on behalf of the Horsham Society to object to this application. Our objection relates to the proposed signs being internally illuminated. This is both unnecessary given the overall size of the proposed signage, and out of keeping with, and detrimental to, the street scene.

Secretary, Planning Sub Committee
