Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment - Privacy Light and Noise
Comments:	The access from Furners Lane into Furners Mead and up to Daisycroft is already compromised by people who do not want to pay to use the carpark at the village hall, So use Furners Mead as a free car park (Caused by HDC Policy) this causes most of the side adjacent to Holmgarth to be a one way street this is also occurs at the top and bottom of Furners Mead which can and will become worse if more properties are built without proper access

being thought about. Also as the original plan was for bungalow's and this new plan is for 2 story properties these will overlook the existing Bungalow's causing privacy issues which cannot be countenanced

Kind regards
