Reasons for comment:	- Highway Access and Parking
Comments:	this is not in accordance with the agreed Neighbourhood Plan.I have been resident at 22 Furners Mead since 2021 and prior to that a resident at Brackley in Furners Lane sine 2004 and have witnessed a great increase in volumes of traffic wanting access to the High Street. Furners Mead has also become increasingly popular as a car parking facility for people wanting a free alternative to car parking in the village hall car park.Any further increase wanting to share this access to the High Street is not helpful for anyone and should not be permitted

Kind regards
