Comments Details

Commenter Type:	Parish Council
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The committee are not against the build. However, we feel that, given the arboricultural report advising that the build could proceed without removing the trees, it would be better for the development to be more respectful of the report and the potential environmental impact. Therefore, the committee objects and recommends that the plans are revised or withdrawn.

Kind regards
