Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Highway Access and Parking - Privacy Light and Noise
Comments:	We are concerned about the parking by the builders and their skips, as Fishers Court parking is dedicated to residents and their visitors only as we don't have alot of parking as it is also Fishers Court is a private road. We suggest possibly some of this can go into the garden.

We are also concerned about the noise made by the builders with the time they'll be starting until they are finishing.

Kind regards
