11 BATTS DRIVE HENFIELD**

This is a detached property which has previously been granted approval for a detached garage at the end of the garden DC/21/1123. This application is a proposal to convert the existing garage to a habitable room under permitted development rights. A window will be inserted to replace the existing garage door and the surround will be infilled with brickwork to match the existing brickwork elsewhere on the front elevation.

Front Elevation

New detached garage built under planning approval DC/21/1123
