Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise
Comments:	Ashington is not a big village, with poor public transport as it is, with extra people it will create more traffic, either improve the bus service so we have a later service to all areas or don't allow this development. Parking at the school is all ready an issue as the majority of local people drive, so that will need improving, pollution from more traffic. There are larger areas that this sort of development would be better just not Ashington.

Kind regards
