

NOISE MANAGEMENT PLAN

Prepared for: Mr S Rugji

Planning Permission: DC/26/0748

Property: 25 East Street, Horsham, West Sussex RH12 1HH

Purpose of Document

This Noise Management Plan has been prepared on behalf of Mr S Rugji to satisfy Condition 4 of Planning Permission DC/26/0748. The plan sets out the procedures that will be followed to minimise noise arising from the operation of the premises and to protect neighbouring occupiers.

1. Management Responsibility

The owner/operator is responsible for implementing this plan and ensuring all staff comply with its requirements.

2. Opening Hours

Monday to Saturday: 11:00–00:00

Sunday: 17:00–00:00

3. Extraction System

The extraction system shall be installed and maintained in accordance with the approved planning documents and the manufacturer's recommendations. Any abnormal noise or vibration will be investigated immediately and repaired without delay. The system will only operate during business trading hours.

4. Kitchen Equipment

Kitchen equipment includes two gyros machines, one chargrill and one fryer. All equipment will be maintained regularly to minimise operational noise.

5. Deliveries

Deliveries will normally take place during daytime hours. Drivers will be requested to switch off engines while unloading and minimise unnecessary noise.

6. Waste Management

Waste and recycling bins will be handled carefully. Collections will take place at reasonable daytime hours wherever practicable.

7. Customer Management

Customers will be encouraged to leave the premises quietly and respect neighbouring residents. No amplified music will be played outside the premises.

8. Staff Training

Staff will receive training to minimise unnecessary noise and report any noisy equipment immediately.

9. Complaints Procedure

Any complaint relating to noise will be recorded, investigated promptly and corrective action taken where necessary.

10. Review

This plan will be reviewed periodically and updated if equipment, operations or trading arrangements change.

Declaration

I confirm that this Noise Management Plan will be implemented for the operation of the premises and reviewed as necessary.
