Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	Berkley homes have had more than their fair share of our village and not supplied any additional amenities for the hundreds of extra residents they have built homes for. We cannot get Dr or dentist appoi the ts as it is. Our children cannot get into local school. The environment has been damaged, the landscape has been changed. This village is bursting at the seams and absolutely cannot take any more development.

Kind regards
