Good afternoon,

Sorry for the delay in replying to your letter. Please find enclosed additional information for CA/26/0009:

Trees 1 & 2 – Beech trees on boundary close to neighbouring properties

- Estimated height 15m
- Estimated height 15m
- Reduce branch length by 10-20%
- Maintain the natural shape

Tree 3 – Beech close to house (image 9808)

- Estimated height 15m
- Reduce branch length by 10-20%
- Maintain the natural shape
- Remove branches directly overhanging, contacting roof.

Tree 4 – Yew close to garage (image 9806)

- Estimated height 9m
- Reduce 2m to level of gutter and adjacent Bay tree
- Shape and remove branches directly overhanging and/or contacting roof

If you have any further questions, please feel free to call me [REDACTED]

Kind regards
Christopher
