Good afternoon,

I am writing to raise my objection to the recent planning letter I recently received for the proposed development behind my property in Cotswold Court.

My main concern is the potential loss of privacy, and therefore potential loss of value to my property, as the new structure will directly overlook my maisonette, especially during the winter months when the trees shed their leaves. This issue would be further exacerbated if any trees are cut down or trimmed in the future, leaving my home fully exposed to the new extension.

I believe this would have a significant impact on my privacy whilst at my property..

I respectfully urge the council to take these concerns into consideration when assessing the application.

Kind regards,

[redacted]

21 Cotswold Court.
