In response to your email regarding the TPO application for 2 woodland close, Horsham, RH13 6AN, please find below the details required.

Southern corner - current branch length 7.5m, proposed reduction of 2.5m, remaining branch length to be 5m. Cuts to be no larger than 100mm in diameter. removal of low limb with previous storm damage, cut to be 250mm in diameter.

Northern corner - current branch length 6m, proposed reduction of 1m. remaining branch length to be 5m. Cuts to be no larger than 100mm.

Eastern corner - current branch length 6.5m, proposed reduction of 1.5m. remaining branch length to be 5m. Cuts to be no larger than 100mm.

western corner - current branch length 7m, proposed reduction of 2m, remaining branch length to be 5m. Cuts to be no larger than 100mm.

Height - current height 19m, proposed reduction 2m. remaining height 17m. Cuts to be no larger than 100mm in diameter.

All pruning works to be completed to BS3998 standards using suitable growth points.

Works being carried out to maintain the trees size and good health.

kind regards

Nick
