Reasons for comment:	- Trees and Landscaping
Comments:	I am the owner of 9 thelton Avenue the tree in question is in the garden of 28a Castle Road . The Oak tree affects my house and no 11 Thelton Avenue. We would be so grateful if you could approve this application as it is shutting out a lot of our light and the tree sap gets on everything so unable to put washing out in the summer and we are forever having to clean and sweep our gardens and garden furniture, because of it. Unfortunately this causes us a lot of stress and depression. I know that trimming the tree will not fully solve the problems but it will help tremendously. Thank you

Kind regards
