Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Overdevelopment
Comments:	1. More houses (180) than agreed neighbourhood plan (150). 2. A nonsense water neutrality statement as data taken from South West water, not Southern Water, our supplier. 3. I can't see a carwash in the original NHP 4. No flood mitigation in Mill Lane as agreed in NHP. 5. Lack of clarify re provision of land for potential school expansion 6. I continue to have grave doubts concerning the access to this development from Church Lane, the pavements are very narrow, little room for 2 way traffic with parked cars on a major school access route. An accident waiting to happen. Construction traffic impact? 7. Access at Church does not tally with WS Highways dept plan which shows staggered crossroads.

Kind regards
