Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Highway Access and Parking - Loss of General Amenity - Overdevelopment - Privacy Light and Noise - Trees and Landscaping
Comments:	I think the proposed plans would be awful, so many people use the field for walks. It's rare to find bits of land like this to use, so to build 120 houses on it would be ridiculous.

Theres not enough infrastructure to support the proposed developments as it is, without adding more.

Kind regards
