Address: 7 Chestnut Close Barns Green Horsham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other
Comments:	Further to previous objections, it now transpires Southern Water are to close the nearby Itchingfield Waste Water Treatment Works. This action will divert sewage from the associated properties to an already overloaded Barns Green facility. Surely the prospect of a further 68 homes being connected must make this development untenable. I believe Southern Waters stance

that the system can cope must be called into question and Horsham District Council must refuse or delay permission until these concerns are addressed.

Kind regards
