Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Overdevelopment
Comments:	The road is narrow and steep and due to over use we see multiple accidents every year. Tower Hill already has major traffic issues and the community are

awaiting results of a traffic management exercise to establish overuse.

It appears access is being proposed via Parthings Lane which exits onto Tower Hill via 90 degree bend. This would put predestinations at major risk.

Increasing traffic will result in more accidents which could finally result in a fatality.

I do not support this proposal.

Kind regards
