Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Trees and Landscaping
Comments:	I strongly object to the proposed development on the following grounds: a) Permanent environmental impact to the High Weald National landscape, as was determined by the planning inspector on a previous planing application (ref.DC/20/0470); b) Increased pressure on public services including, schools, GP surgeries, road and rail infrastructure; c) Increased traffic congestion to an already very busy Moorhead

roundabout. Traffic here has been increasing steadily over the years and now is often backed up, even outside of peak hours. The above reasons all contribute in permanently degrading the character of the town.

Kind regards
